Officer Reports:

- **President**
 - we did not have a first quarter meeting because we never scheduled them
 - so let's schedule the next 3 meetings
 - suggests Quarter two October 15th
 - Suggests Quarter three January 21st
 - these dates work with everyone as of now
 - There has been no contact from nationals to Brother D'Ambrosia so there is nothing to report
 - We have Three goals for this year
 - make sure our status for taxes is correct

- **Add to our managed fund**
- **get some new members and get more alumni involved**

- **Vice President**
 - **Chapter Update**
 - This year we have a whole new Eboard
 - had our first chapter meeting to see how everyone feels and what our plans are
 - we have 30 brothers
 - they are currently working on event planning
 - we want as many alumni to come to the events as possible to show we have a big community and support
 - our first event is the school has a orientation event for incoming freshmen on the 25th from 1 to 5
 - half of the brothers are graduating this year and they plan to recruit and get more brothers this semester
 - We are still technically in jump start because our philanthropic event did not meet nationals standard and they need to send their bi laws. They have a plan so hopefully they finish that soon.
 - the event that didn't qualify was a studio clean up event to help clean up the studios at the end of the semester
 - we use to do to do a river clean up with beth tauke so maybe reach out to her and see how to set those up
 - we were told to not pair with an outside organization
 - Leadership conference is coming up and so we are going to try and send two of our brothers.

- **Treasurer**

- Banks Total Balance is at \$ 4,039.81
 - due part to table talks credit, table talks was the most successful it's ever been
 - We currently have 14 dues paying members and I sent out an email to tell people that they need to pay their dues.

- **Secretary**

- all minutes have been uploaded to the website
- Really want to bring back the Scholarship this year so will reach out to see if anyone is interested in starting that with me.

- **Director at Large**

- Need to figure out how to access my UB email
- No new members since our annual meeting
 - Will check to see if Roxi was added

Old Business:

- **Table Talks**

- Was a great event
- Was very helpful for the students to get to know the firms and insight to the professional world
- the room was packed you could barely move around so it was very successful
 - Discussion on what to do with the money that came from it.
 - want to wait to for Brother Zifchock to see what else they may need the money for as we usually give thank you gifts
 - Have we paid the caterer yet for table talks?
 - payments were made to the caterer, gifts, and water.

- the total profit we made was \$1213.47
- In may Brother Louis Rosario reached out about Alpha Rho Chi Foundation to start the community about the funds so will find out what happened with that.

New Business:

- Would like to have the Alpha Rho Chi Foundation committee meet before the next meeting and we can have them give us updates on what's going on with that.
 - Brother D'Ambrosia to reach out to Brother Rosario and see if this is happening and how we can get updates on this during our meeting and have an introductory meeting
 - if we can get a committee going and get other brothers involved it will make us stronger
 - A great way to start is figure out what our balance is and to make a goal going forward
- Nationals did not file our taxes so Brother D'Ambrosia and Brother Vliet will file the taxes and go from there on our tax class.

Suggestions for betterment of the fraternity/informal discussion:

- Love that Brothers are able to connect in different states at anytime as they are traveling around

Adjournment: Brother Chris D'Ambrosia motions to close the closed meeting at 9:01pm.

Seconded by Brother Vliet
